

FOUR CORNERS OIL & GAS CONFERENCE

WED THUR
MAY 9TH AND MAY 10TH 2018

Schedule 2018 Four Corners Oil & Gas Conference

8:00 am to 5:00 pm	Wednesday, May 9, 2018 EXHIBITS OPEN		
8:30 am to 9:00 am	Welcome and Opening Ceremony Room 1		
	ROOM 1	ROOM 2	ROOM 3
9:00 am to 9:30 am	Tribal Energy Roger Fragua	9:00 am to 9:45 am Comparative Risks of Hydrostatic and Pneumatic Testing of Pipelines. David A. Simpson PE Owner MuleShoe Engineering	Damage Prevention Initiatives - Why PHMSA Cares. Tom Finch Community Liaison, Western Region USDOT/PHMSA/Pipeline Safety
9:30 to 10:00	NMOCD – General Status Update and Rulemaking Update. Heather Riley Division Director		
10:00 am to 10:30 am	NMENVD Air Quality Division	10:00 am to 10:45 am Experimental Study of Process Zone Stress in Low Permeability Rock. Juan Carlos Carratu PHD Candidate Colorado School of Mines	"Green Ground Beds" use of Conductive Concrete as a Backfill in Cathodic Protection Anode Beds. Charlie Poore Vice President US Sales SAE Inc.
10:30 am to 11:00 am	COGCC – Various Divisions		
11:00 am to 11:30 pm			
11:30 am to 12:00 pm	BLM – Farmington Field Office	11:00 am to 11:45 pm Mancos Dry Gas using the Rosa Unit and Black Hills Laterals. Robert Brooks Consulting Reservoir Engineer KH & S Energy	Global Natural Gas Markets: Their Rapid Expansion and the Implications to the Southern Rockies. Tim Rynott Owner Ridge Resources LLC
12: 00 pm to 1:00 pm	LUNCH		
1:00 pm to 1:45 pm	Christi Zeller Energy Council	Research on Efficiencies in Mechanically Enhanced Evaporation; with Attention to Plume Drift and EPA Regional Haze Rules. Robert Ballantyne Director of Research and Development Resource West Inc.	Bringing Transparency to Produced Water. Andrew Keller Sales Executive Cartasite
2:00 pm to 2:45 pm	Ken McQueen Cabinet Secretary NM Energy Minerals & Natural Resources Department	Monitoring Corrosion Rates in Diverse Applications Using Web Enabled Real-Time Analytics. Jamey Hilleary Director of M2M Technology Elecsys Corporation	Oil & Gas and the Future of The Four Corners and New Mexico Economies. Paul Gessing President Rio Grande Foundation
3:00 pm to 3:45 pm	"The San Juan Basin, Natural Gas, Under Trump and Zinke: World Price, Strategic Advantages Supply and Demand Dr. Daniel Fine State of NM Coordinator NM Tech Energy Policy	Onshore Order 5 and the San Juan Basin. Sean Casaus Operations Manager Gas Analysis Service LP	Using Forward Markets to Reduce Commodity Price Risk - How to Hedge Properly. Bryan Looper VP of Financial Services DEVO Capital
4:00 pm to 4:45 pm		Summarizing Ground-Based and Airborne Methane Monitoring Surveys to Assess Major Emissions Sources in the San Juan Basin, CO. Devin Hencmann Project Geologist LT Environmental Inc.	Hazardous Areas and Explosion Protection. Jesse Hill with Josh Owens Turck Inc and Technical Marketing Manufacturing Inc.
5:00 pm	EXHIBITS CLOSE		
5:00 to 7:00	Reception – StingRay Room, Sunray Park and Casino		

Thursday, May 10, 2018

EXHIBITS OPEN			
	Room 1	Room 2	Room 3
8:00 am to 2:00 pm			
9:00 am to 9:45 am	We Aren't the Enemy George Sharpe Investment Manager Merrion Oil and Gas	BASIC CORROSION: Sustainability Starts with Cathodic Protection. Eric S. Langelund Piping and Corrosion Specialties Inc.	Expand the use of Open Wireless Gas Detection Systems for Life Safety and Asset Integrity. Andrew Liptak Production Manager- Gas Detection United Electric Controls
10:00 am to 10:45 am	BP L48 Presentation Brian Pugh	Process Flow and Operation of Separation Equipment. Terry Nelson Manager-Technical Services Waukesha Pearce Industries	Considerations for M2M Hybrid Wireless Networks. Dan Steele Director of Sales Automation X Corp
11:00 am to 11:45 pm	Hilcorp Energy Brian Wilbanks A&D Senior Vice President Acquisitions and Divestiture	Basic Operation of a Typical TEG Dehydration System. Michael Sinagra Director of Training GLY-Tech Services. Inc	Implementation of Advanced UAS/Drone Technology in the Oil and Gas Industry. Maurice Foye Chief Operating Officer HRL Compliance Solutions Inc
12: 00 pm to 1:00 pm	LUNCH		
2:00 pm	EXHIBITS CLOSE
